

AMERICA'S #1 TRAVEL RADIO SHOW

APRIL 2017

Rudy Maxa's World with The Careys

◆◆◆ CHECK-IN NEWSLETTER ◆◆◆

A Word from Rudy, Robert & Mary ...

Hello Spring! If you've just returned from Spring Break travel, or are about to depart drop us a note via the 'Contact Us' tab on the home page of RudyMaxa.com and tell us about where you've visited and how the trip went. We'd also enjoy hearing where your summer travel plans will take you. Domestic? International?

On our April 15th broadcast, the "Travel Trio" will be in Ireland for a live remote of our national travel radio program. Robert & Mary will be at historic Ashford Castle, while Rudy treks to Ireland's newest destination – the Ancient East Trail. After Ireland, Rudy heads over to London while Mary visits Germany.

In this April Check-In Newsletter, we want to welcome the brands of Carnival Corporation, AmaWaterways & Travelpro Luggage aboard as sponsors. We're proud to have these industry leaders aligning with us – and we hope you'll support them regularly when traveling. Carnival Corporation is the largest leisure travel company in the world, and they

cater to every category of ocean cruiser through their popular brands – Carnival Cruise Lines, Princess Cruises, Seabourn, Holland America Line, Cunard, P&O Cruises, Costa Cruises & AIDA Cruises. If river cruising is your preference, you simply won't find a better experience available than award-winning AmaWaterways. The word "Ama" is derived from the Latin word for "Love" and you'll feel their passion in every aspect of an AmaWaterways River Cruise. Travelpro Luggage is the firm that invented the Rollaboard that so many of us travel with today. When we're on the road for our show, we're already traveling with Travelpro – which makes their partnership all the more pleasant! From their superior craftsmanship and design, to outstanding warranties and affordable prices – it's easy to understand why Travelpro is the choice of flight crews and frequent travelers.

Travel is lifestyle, travel is news and commerce, travel is fun, travel is educating/connecting. However you define travel, we encourage all of our fans/followers to go experience the world.

Whether your next trip takes you to a place nearby, or around the globe, safe travels & enjoy!

RUDY MAXA'S WORLD WITH THE CAREYS **TRAVEL TIP OF THE MONTH**

When booking airline tickets, don't overlook business class fares. Despite the perceived higher cost, when you factor in receiving checked luggage up to 70 lbs, club room access, fast-lane security screening, priority boarding, free meals/drinks/entertainment, expedited luggage delivery, and a more pleasant experience, the cost may be more comparable to coach fares than expected.
