A Word from Rudy, Robert & Mary ...

Where will your next adventure take you? One of the things we enjoy most about what we do is getting a chance to experience new people, new cultures and enrich ourselves beyond our everyday norms. And you don't have to travel far to understand this reality! We'd enjoy hearing from you about your favorite places to travel, or some of your most memorable moments that helped change you for the better. Drop us a line via the "Contact Us" tab on RudyMaxa.com. And if we like your story, we may invite you to join us on-air to share it with our national audience.

A special thanks to all of you who attended our live broadcast on Saturday, 28 January 2017 from the New York Times Travel Show, and also our travel seminar in the afternoon. We enjoyed meeting so many of you, and are proud that you helped make our session the #1 most attended seminar over the 3-day event.

Wherever your next trip takes you, safe travels & enjoy.
